Final Terms shall be drawn up for each Loan which, together with these General Terms, constitute the full Loan Terms for the Loan.

3. REGISTRATION OF MTNS

- 3.1 MTNs shall be registered to VP Accounts on behalf of Noteholders and, accordingly, no physical securities will be issued. Requests for a specific registration measure with respect to MTNs shall be addressed to the Account Operator.
- 3.2 A party which, based on any appointment, pledge, provisions in the Swedish Parental Code, testamentary disposition or deed of gift or otherwise has acquired a right to receive payment under an MTN shall have its right registered in order to receive payment.

Should Euroclear Sweden be unable to pay out amounts as stated above because of delays on the part of the Company or because of some other obstacle, the Company shall ensure that the amount is paid out to the party that was the Noteholder on the Record Day as soon as the obstacle has been removed.

5.4 If the Company is unable to meet its payment commitment through Euroclear Sweden because of an obstacle affecting Euroclear Sweden, the Company shall be entitled to defer its payment commitment until the obstacle has been removed. In such event interest shall be payable as described in section 7.1.

6. INTEREST

6.1 Interest on a particular Loan is calculated and payable (where applicable) in accordance with the Final Terms.

6.2 The Final Terms shall state the relevant Interest Structure using one of the following alternatives:

(a) Fixed Interest

If a Loan is specified as a Fixed Interest Loan, the Loan shall bear interest at the Interest Rate from (but excluding) the Loan Date up to (and including) the Redemption Date.

Interest accrued during an Interest Period is paid in arrears on the relevant Interest Payment Date and is calculated using the Day Count Convention 30/360 for Loans in Swedish kronor and Euros.

(b) Floating Rate Notes (FRN)

If a Loan is specified as a Floating Rate Note, the Loan shall bear interest from (but excluding) the Loan Date up to (and including) the Redemption Date. The Rate of Interest applicable to each respective Interest Period is determined by the Administrator on the respective Interest Determination Date as the Interest Base plus the Interest Base Margin for the same period.

If the Interest Rate is not determined on the Interest Determination Date because of an obstacle such as is described in section 16.1, the Loan shall continue to bear interest at the rate that applied to the immediately preceding Interest Period. As soon as the obstacle has been removed the Administrator shall calculate a new Interest Rate to apply from the second Business Day after the date of calculation until the end of the current Interest Period.

Interest accrued during an Interest Period is paid in arrears on the relevant Interest Payment Date and is calculated using the Day Count Convention Actual/360 for Loans in Swedish kronor and Euros.

(c) Zero Coupon Notes

If the Loan is specified as a Zero Coupon Note, the Loan shall bear no interest. Zero Coupon Notes may be issued at a discount and redeemed at an amount per MTN corresponding to their Nominal Amount or a proportion thereof.

6.3 If an Interest Payment Date for a Fixed Interest Note falls on a day that is not a Business Day, interest is not paid out until the following Business Day. However, interest is calculated and payable only up to and including the Interest Payment Date.

6.4 If an Interest Payment Date for a Floating Rate Note falls on a day that is not a Business Day, the immediately following Business Day shall instead be deemed the Interest Payment Date provided that such Business Day does not fall in a new calendar month, in which case the Interest Payment Date shall be deemed to be the preceding Business Day.

This is an English translation of the Swedish original of the General Terms. In case of any discrepancies, the Swedish original shall prevail.

7. PENALTY INTEREST

- 7.1 In the event of any delay in payment, default interest is payable on the due and unpaid amount from the due date up to and including the day on which payment is made at a rate of interest equal to the average of one week STIBOR for MTNs issued in Swedish kronor and EURIBOR for MTNs issued in Euros for the duration of the default, in each case plus two percentage points, with STIBOR and EURIBOR respectively being established on the first Business Day of each calendar week during the period of default. The default interest rate on interest bearing Loans as set out in this section 7.1 shall not be lower than the rate which applied to the relevant Loan on the relevant due date plus two percentage points. Default interest is not capitalized.
- 7.2 If the delay is due to any obstacle affecting the Issuing Agents or Euroclear Sweden, the penalty interest rate shall (i) with respect to an interest bearing Loan, correspond to the rate of interest which applied to the relevant Loan on the relevant due date or (ii) with respect to a non-interest bearing Loan, the average of one week STIBOR or EURIBOR respectively for the duration of the default (STIBOR or EURIBOR respectively being established on the first Business Day of each calendar week during the period of default).

8. REDEMPTION AND REPURCHASE

- 8.1 Loans mature on the Redemption Date at the amount per MTN specified in the Final Terms, together with accrued interest (if any). If the Redemption Date falls on a day that is not a Business Day, however, the Loan shall not be repaid until the following Business Day.
- 8.2 The Final Terms may contain a provision stating that the Company is entitled or obliged to repay Loans in full or in part along with accrued interest (if any) before the Redemption Date.
- 8.3 The Company may repurchase MTNs at any time and at any price whatsoever provided that this is compatible with current law. MTNs owned by the Company may be held, transferred or redeemed at the Company's discretion.

9. REPURCHASE ON CHANGE OF OWNERSHIP

- 9.1 Each Noteholder shall be entitled to demand the repurchase of all or certain MTNs that it holds if:
- (a) the shares (or where relevant, the ordinary shares) in the Company cease to be listed for trading on the Regulated Market at NASDAQ OMX Stockholm AB; or
 - (b) an event or a series of events occurs, as a result of which a physical person or legal entity, either itself or together with a related party as described in the Swedish Act on Public Takeover Offers on the Stock Market (2006:451) and which is not and does not include ICA-handlarnas Förbund, a non-profit company registered under corporate reg. no 802001-5577, either directly or indirectly, at any point in time:
 - (i) acquires more than 50 per cent of the shares or votes in the Company;
 - (ii) through agreement or otherwise is itself (or together with an aforementioned related party) able to appoint a majority of the Company's board members; or
 - (iii) through agreement, voting rights or otherwise is able alone (or together with an aforementioned related party) to determine the content of material commercial decisions in the Company.
- 9.2 As soon as the Company has become aware of a change of ownership as described in section 9.1 the Company is obliged to inform the Noteholders of this via a press release, on the Company's website and in accordance with section 15 (Notices). The notice shall include instructions for how a Noteholder should proceed if it wishes to have MTNs repurchased and shall specify the Repurchase Date.
- 9.3 The Repurchase Date shall be between one and two months after the notice of the change of ownership was given to Noteholders in accordance with section 9.2, but if the Repurchase Date is not a Business Day then the immediately following Business Day shall be regarded as the Repurchase Date.
- 9.4 If there is a right of repurchase, the Company shall, upon request by a Noteholder, repurchase relevant MTNs on the Repurchase Date at the price per MTN that would have been repaid on the final Redemption Date, along with accrued interest (if any). In the case of MTNs that are Zero Coupon Notes an amount per MTN calculated in accordance with section 11.5 shall be paid instead.
- 9.5 Noteholders shall give the Company notice that they wish to assert their right to demand repurchase of MTNs at least 20 Business Days prior to the Repurchase Date.

10. SPECIAL COMMITMENTS

For so long as any MTNs are outstanding, the Company makes the following commitments.

10.1 Status

The Company shall ensure that, in terms of the law on preferential rights, its payment obligations under Loans are equated with the Company's other unsecured and unsubordinated payment obligations, except where such obligations have more preferential rights under current law.

10.2 The company's operations and non-current assets

The Company (i) shall not materially change the nature of the Group's operations, and (ii) shall not sell or otherwise dispose of non-current assets if such disposal has an adverse material effect on the Company's ability to meet its payment obligations to the Noteholders.

10.3 Program Amount

The Company shall not issue further MTNs under this MTN Program if it means that the total Nominal Amount of the MTNs outstanding under this MTN Program, including the MTNs that it intends to place, exceed the Program Amount on the date when agreement on placement of MTNs is made between the Company and the Issuing House.

10.4 Securing of other Market Loans

The Company:

- (a) shall not itself provide security or allow others to provide security, whether in the form of contingent liabilities or otherwise, for another Market Loan that has been taken out or may be taken out by the Company;
- (b) shall not itself provide security in a form other than as a contingent liability, which in turn may not be secured, for another Market Loan that has been taken out or may be taken out by the Company; and
- (c) shall ensure that no other Group Company itself takes out Market Loans or provides a contingent liability or provides security for Market Loans that have been taken out or may be taken out by a party other than the Group Company; however, this section 10.4(c) shall not apply to ICA Banken AB, which has the corporate registration number 516401-0190.

10.5 Admission to trading on a Regulated Market

In the case of Loans which the Final Terms state are to be admitted to trading on a Regulated Market, the Company undertakes to apply to NASDAQ OMX Stockholm AB for this to take place and to take the actions required to maintain admission to trading so long as the relevant Loan is outstanding, but at longest for so long as this is possible under applicable rules.

10.6 Provision of Loan Terms

The current version of these General Terms and of the Final Terms for all outstanding Loans shall be kept available on the Company's website.

11. TERMINATION OF LOANS

11.1 The Administrator shall (i) if so requested in writing by Noteholders that at the time of the request represent at least one tenth of the Adjusted Loan Amount under the relevant Loan (such a request can only be made by Noteholders entered in the securities register on the Business Day occurring immediately after the date that the request was received by the Administrator and must, if made by a number of Noteholders, be made jointly) or (ii) if the Noteholders under a Loan so decide at a Noteholders' Meeting, declare in writing that the relevant Loan together with interest (if any) is due for payment immediately or on the date decided by the Administrator or Noteholders' Meeting (if applicable), if:

The term "**loan**" in sections (c) and (d) above shall also include account credit and amounts that were not received as a loan but that are to be paid on the basis of debt instruments clearly intended for public trading.

- 11.2 The Administrator may not declare a relevant Loan and its interest (if any) due for payment in accordance with section 11.1 by reference to one of the grounds for termination if it has been decided at a Noteholders' Meeting that such grounds for termination shall not bring about termination as described in section 11.1 (either temporarily or permanently).
- 11.3 The Company is obliged to inform the Issuing Agents and the Noteholders immediately via a press release, on the Company's website and in accordance with section 15 (Notices) in the event of the occurrence of one of the grounds for termination as stated in section 11.1. In the absence of such notification or notification in accordance with section 11.4 the Administrator or Issuing Agent shall not be deemed to be aware of a reason for termination, irrespective of its actual knowledge.
